Important Information for MECHANICAL ENGINEERING Curriculum

- Grade "C" or better required for all ME courses, see advisor for clarification.
- EGS 1006 Intro to Engineering is required if transferring with less than 30 credit hours; otherwise, Students must take an approved Technical/Engineering Elective.
- Humanities, Social Science, Art courses mentioned are recommended. For other University Core Curriculum (UCC) Courses, go to: <http://undergrad.fiu.edu/advising/pdfs/ucc-new.pdf>
- **Gordon Rule with Writing (GRW) requirement:** To fulfill this requirement, students can select any two GRW designated courses (six credit hours) chosen from the University Core Curriculum (UCC) courses list.
- **Global Learning (GL) Requirement:**
 - Transfer students who do not meet UCC requirements or have less than 60 credit hours prior to entering FIU must take one Global Learning (GL) Foundation course and one Global Learning Discipline-Specific course.
 - Transfer students who have more than 60 credit hours with or without an "AA" prior to entering FIU will satisfy the Global Learning (GL) requirement by completing two Global Learning Discipline-Specific courses which are Senior Design Project courses (EML 4551 and EML 4905).
