

March 30, 2023

Atoussa Tehrani
Electrical and Computer Engineering
College of Engineering and Computing
Florida International University

Dear Professor Tehrani,

I am pleased to notify you that you were nominated by your College and have been selected to be honored as an FIU Top Scholar awardee for the academic year 2022-2023. The recognition for your Teaching is in the category of Faculty with Notable Gains in Student Learning and Success (Sciences). I congratulate you on your dedication to student learning through professional development, continuously improving your courses, and preparing students for a competitive job market.

A breakfast honoring the 2022-2023 Top Scholar recipients will be held on May 11, 2023, at the Parkview Multipurpose Room (PVH 100) on MMC from 9:30 am-11:30 am. Please RSVP by April 25 by completing a survey using this [link](#).

Thank you again for your outstanding work and scholarly contributions.

Congratulations!

A handwritten signature in blue ink, appearing to read 'Elizabeth Bejar', is written over a circular blue stamp or seal. The signature is fluid and cursive.

Elizabeth Bejar, PhD
Provost, Executive Vice President and COO

C: Heather Russell, Vice Provost of Faculty Leadership and Success
John Volakis, Dean, College of Engineering and Computing
Anthony J. McGoron, Associate Dean, College of Engineering and Computing
Deidra R. Hodges, Chair, Electrical and Computer Engineering
