

March 30, 2023

Elias Alwan  
Electrical and Computer Engineering  
College of Engineering and Computing  
Florida International University

Dear Professor Alwan,

I am pleased to notify you that you were nominated by your College and have been selected to be honored as an FIU Top Scholar awardee for the academic year 2022-2023. The recognition for your Research and Creative Activities is in the category of Junior Faculty with Significant Grants (STEM). I congratulate you on your work in the Next Generation Universal Radio Platform, receiving support for three PhD students, and the Instrumentation Grant.

A breakfast honoring the 2022-2023 Top Scholar recipients will be held on May 11, 2023, at the Parkview Multipurpose Room (PVH 100) on MMC from 9:30 am-11:30 am. Please RSVP by April 25 by completing a survey using this [link](#).

Thank you again for your outstanding work and scholarly contributions.

Congratulations!

A handwritten signature in blue ink, appearing to read 'Elizabeth Bejar', is written over the printed name.

Elizabeth Bejar, PhD  
Provost, Executive Vice President and COO

C: Heather Russell, Vice Provost of Faculty Leadership and Success  
John Volakis, Dean, College of Engineering and Computing  
Anthony J. McGoron, Associate Dean, College of Engineering and Computing  
Deidra R. Hodges, Chair, Electrical and Computer Engineering
