

March 30, 2023

Uluagac Selcuk
Electrical and Computer Engineering
College of Engineering and Computing
Florida International University

Dear Professor Selcuk,

I am pleased to notify you that you were nominated by your College and have been selected to be honored as an FIU Top Scholar awardee for the academic year 2022-2023. The recognition for your Research and Creative Activities is in the category of Established Faculty with Significant Grants (STEM). I congratulate you on your extensive work in the area of cybersecurity.

A breakfast honoring the 2022-2023 Top Scholar recipients will be held on May 11, 2023, at the Parkview Multipurpose Room (PVH 100) on MMC from 9:30 am-11:30 am. Please RSVP by April 25 by completing a survey using this [link](#).

Thank you again for your outstanding work and scholarly contributions.

Congratulations!

A handwritten signature in blue ink, appearing to read 'Elizabeth Bejar', written over a circular stamp or watermark.

Elizabeth Bejar, PhD
Provost, Executive Vice President and COO

C: Heather Russell, Vice Provost of Faculty Leadership and Success
John Volakis, Dean, College of Engineering and Computing
Anthony J. McGoron, Associate Dean, College of Engineering and Computing
Deidra R. Hodges, Chair, Electrical and Computer Engineering
