

MATH PLACEMENT
MPS SCORES EFFECTIVE for Spring 2022

Math, Statistics, Sciences, Engineering & Computing	
MPS Score	Math Course
< 39	College Algebra (MAC 1105)
39-44	Pre-calculus Algebra & Trigonometry (MAC 1147)
Minimum 45	Calculus I (MAC 2311)
Dietetics and Nutrition -Nutritional Sciences Track	
MPS Score	Math Course
< 39	College Algebra (MAC 1105)
Minimum 39	Pre-calculus Algebra & Trigonometry (MAC 1147)
Construction Management, Business & Economics	
MPS Score	Math Course
< 37	College Algebra (MAC 1105)
Minimum 37	Business Calculus (MAC 2233)
Architecture	
MPS Score	Math Course
< 35	College Algebra (MAC 1105)
Minimum 35	Trigonometry (MAC 1114)
Nursing, H.S.A., and Dietetics & Nutrition Didactic Track	
MPS Score	Math Course
No Minimum	College Algebra (MAC 1105)

MPS scores are used for math placement for incoming freshmen. The score is generated from High School GPA and SAT/ACT Math Scores. Students in majors that require higher level math (beyond MAC 1105) who do not have MPS scores or college credit for MAC 1105 or higher may either begin in MAC 1105 or take the ALEKS math placement exam.
